OMG – Our Memories Group

We all have family stories. On that basis members of AAUW-Durango have formed a new interest group, Our Memories Group (OMG). For the past six months we have been encouraging each other to remember the stories that have been handed down in our families. We either read versions written for our descendants or tell them to the group for our own reminiscences. We meet once a month for two hours, listening to each other's stories and providing suggestions if requested, as well as general encouragement. We have reached space capacity, however, particularly due to COVID. We are keeping a waiting list and would welcome your name. Contact Peg Kimple, pegkimple@gmail.com.

Interest Groups:

- *OMG – Our Memories Group. Coordinator is Peg Kimple.
- *Mahjong, contact Katherine Burgess to get involved.
- *Edouard, February 23rd, Betsy Norton leads: "Braiding Sweetgrass"
